7.1 Currencies

A list of available currencies is shown

Currencies

Currency	Code	Value	Action
Canadian Dollar (default)	CAD	1.00000000	
US Dollar	USD	1.29999995	

Displaying 1 to 2 (of 2 currencies)

Page 1 of 1

- To add a new currency, simply press on the **new currency**
- If you are unsure about the exchange rate, please click on **update currencies** and the exchange rate will be updated automatically.
- If you want to enter your own exchange rates, you may do so by selecting the currency that you would like to edit, and choose the **edit** located on the right hand side of the panel
- To set a currency as a default currency, select the currency that you would like to set as a default and choose **edit** , and check "Set as default (requires a manual update of currency values)"

Edit Currency

Please make any necessary changes
